

Instructions and tips:

(printing of this page is not required)

You'll need: printed scheme, scissors, paper knife or modeling scalpel and glue.

Cut the parts as shown on the scheme.

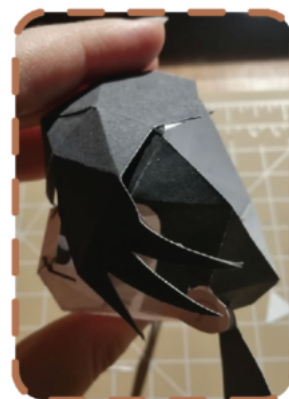

Don't forget to make cuts for ears and pigtails.

Fold the edges before glueing parts together.

Glue together and cut out two-sided parts.

Before assembling head with the hat, glue the hair on the head!

Don't eat the pizza base!
It's not real pizza!

Also check out my links if you haven't.
